

What are the Junior Blades?

The Junior Blades is a fantastic opportunity for dedicated and hardworking players looking to enhance exposure and grow their opportunities for collegiate hockey.

The Junior Blades program develops young women into leaders under the tutelage of our all-female impeccable coaching staff.

We are not just about hockey...

The Junior Blades have fostered a relationship with Umass Boston which allows players to take classes and earn college credits while not jeopardizing their academic eligibility.

The Junior Blades emphasize **Development** and **Exposure**

Strong team mentorship
