

Winning is FUN with the Junior Blades. We believe the best defense is a good offense and we call it FREE HOCKEY!!

What are the Boston Junior Blades?

The Junior Blades is a fantastic opportunity for dedicated and hardworking players looking to enhance exposure and grow their opportunities for collegiate hockey in the United States and Canada. The program is targeted towards players who want to take another year after high school to hone their hockey skills. The Junior Blades program develops young women into leaders while focusing on development of the player and the person under the tutelage of our all-female coaching staff.

What is it really like being a member of the Junior Blades?

"It was my privilege to play for Digit Murphy on her Jr. Team. I was going into my senior year of high school, as a 2nd year Captain on my high school hockey team. Something was missing- I wanted to improve my skills, play at a more competitive level and see how far I could improve and how far I could get.

The year I played for Digit was one of my best years of hockey. Not only did I improve my skills but I also became a smarter player who now had opportunities to play at the college level. She really knew how to get the best out of me- not only as a player but as a person. She used every opportunity whether it was a game situation or personal situation as a learning opportunity.

I learned so much from her regarding team work, being true to yourself and believing in yourself along with becoming the best I could. If you ever have the opportunity to play for Digit- do it!" Rachel McKay, Hobart & William Smith Colleges

We're not just about hockey...

The Junior Blades have fostered a partnership with [Bay View Academy](#) which allows the players to billet and go to High School at Bayview Academy in Rhode Island while playing for the Junior Blades.

The Junior Blades also has a partnership with [UMass Boston](#) for potential classes, credits, and housing for players while not jeopardizing their collegiate eligibility.

First half ice starts August 31st and ends December 16th while the second half ice starts January 4th and ends February 24th.
